

**“ASANTE SANA” – THANK YOU FROM DREAM SPONSORS, INC.**

Dear Friend of Dream Sponsors:

On behalf of our Board of Directors, Kenyan Advisory Committee, volunteers and the orphans we serve in Kenya, I thank you for your participation in our recent event, “Giving Thanks for a Dream” hosted by Whole Foods Market. We are sincerely grateful for your generosity during this event which generated over \$7300. This included three orphan sponsorship commitments and pledges, craft item purchases, raffle tickets for the mountain log home vacation, raffle tickets for gift baskets, silent auction items and entry donations.

The week-long vacation stay in the mountain log home in North Carolina was won by Mr. and Mrs. Samuel Knight of Oil City, PA, who are also sponsors of a child in the project. Ticket sales began in August in various areas of Florida, Pennsylvania and North Carolina. Over \$4000 was generated through the sale of the raffle tickets over the five month period.

Many of you participated in our Malaria Quiz and Lynn Merone was the only person who correctly answered all nine questions. Included is the answer sheet for your reference.

Dream Sponsors, Inc. is proud to announce that we now have 12 orphans who are actively supported by the project. Eight of these children live in various slums in the Nairobi area and four live in rural Western Kenya. Thanks to you and the other donors in our project, these five girls and seven boys have a real chance to make their dreams come true.

Over the next year, our goals are to continue to raise funds for these children as we anticipate that food costs and transportation fees will continue to rise, impacting our budget. We

have also learned that one of our children, Ryan age 11, is in desperate need of a serious heart operation, therefore we will be trying to raise funds to assist with this unique need to help him secure a healthy future.

Should you desire to become more involved in our mission by volunteering or making future contributions, please know that we welcome and value your support. Once again, we thank you for your attendance and hope you enjoyed a sample of Kenyan culture during our event. Feel free to contact our office at 561.795.2223 for more information.
